Bay Park Elementary's Jog-A-Thon is coming November 14th! We are a transitional-kindergarten through 5th grade school, with an enrollment of approximately 480 students. Our Jog-a-thon is Bay Park PTA's largest school-wide fundraiser. With the help of community businesses like yours, Bay Park's 2017 Jog-a-thon raised over \$40,000 for our school! All Jog-a-thon proceeds directly benefit our students by funding programs such as the Art and Music programs, classroom supplies, field trips, library books, assemblies, the Science Fair, the award winning gardens, and other educational endeavors.

PLEASE CONSIDER DONATING TO HELP SUPPORT THIS GREAT EVENT FOR THE CHILDREN OF BAY PARK
